

Stephen Heath

Period of Office: 01/01/2014 – 31/12/2017

Portfolio Holder: Pupil Premium and Finance

My name is Stephen Heath. I have been involved with The Grangefield Academy as a Governor since its conversion in January 2014 and I now chair the Finance and Curriculum Committee. I've really enjoyed being part of the academy.

For my day job I work for Amec Foster Wheeler in Darlington where I am the Supply Chain Manager; having previously spent my career in Engineering, Project Management and Procurement in the Teesside petrochemical industry. When I'm not working or involved at The Grangefield Academy I am trying to fight the aging process by rowing on the wonderful River Tees, cycling or running.

I've lived in Stockton for 25 years and raised my family here. I passionately believe that vibrant schools and good education are the most important things for the long term health of our community and it's a pleasure to be able to support this in a small way by my involvement with The Grangefield Academy. I am also a Governor at Queen Elizabeth Sixth Form College in Darlington.
