Dear Parent/Carer

**Coming soon: Online payments with ParentPay**

Starting in January 2018 we will be introducing a more convenient way to pay for school meals, trips and much more online, using a secure service called ParentPay.

ParentPay will be live within the first few weeks of the new term and following this we will be working towards making the academy a cash-free environment. Parents who need to continue making payments by cash or cheque may do so for now, please see below for information.

**Making secure payments online using your credit or debit card**

ParentPay offers you the freedom to make payments whenever and wherever you like, 24 hours a day, 7 days a week - safe in the knowledge that the technology used is of the highest internet security available.

You will have a secure online account, activated using a unique username and password; you will be prompted to change these, and to keep them safe and secure. If you have more than one child at our academy, or children at another ParentPay school, you can create one single account login for all your children regardless of which school they attend.

Making a payment is straightforward and ParentPay holds a payment history for you to view at a later date; no card details are stored in any part of the system. Once you have activated your account you can make online payments straight away.

**Making payment by cash or cheque**

We will continue to accept cash and cheque payments in the academy for a period of time. Please make cheques out for the correct amount and make payable to The Grangefield Academy. Cash and cheque payments are also recorded in your ParentPay online account, giving you a record of all payments you have made regardless of which method you use. Students will continue to be able to use our revaluation machines which are located throughout the academy.

**You will receive your unique ParentPay Account activation details in January 2018**
