

Anthony Beckwith

Period of Office: 01/01/2014 – 31/12/2017

Portfolio Holder: Personal Development (Behaviour) and Welfare

When I retired two years ago I had completed 40 years working in the Public Sector. Most of the time was spent in the NHS where I became an Executive Director and Deputy Chief Executive of a local NHS Trust. More recently I have been a Head of Service at a Local Authority. In all this time I have had a special interest in the health, wellbeing and education of children. Being a school governor gives me the opportunity to continue to support that interest. Since retirement I have been able to continue my personal interest in most sports, being an active golfer and a lifelong supporter of Liverpool FC. I have also been able to concentrate some time on the care of two grandchildren. I also enjoy theatre, cinema and reading. I will be the portfolio holder for Behaviour.
