Dear Parent/Carers

FOR YOUR INFORMATION

We are excited to announce that as from Monday, 3rd April 2017 students will be offered new choices at lunchtime.

Our new provider Chartwells will be launching a brand new lunch menu in our academy which has been created using student's feedback. Having been trialed for the past 12 months within other schools and academies, they are excited to provide our students with choices that rival the high street.

The New Menu

To best reflect student feedback, the menu has been built to offer flexibility, variety and choice on a daily basis. There are three 'mini' offers available every day.

- **Global Adventures.** This offer delivers a daily trip around the globe, and across the menu cycle includes Thai, Mexican, Chinese, Indian, Caribbean and British dishes. From the traditional Roast to the slightly more exotic Katsu Curry, the feedback from trials points to one thing; the flavours are authentic and accessible to students.
- **High Street Favourites.** Rotating between two much loved high street cuisines, students can choose between Wings & Things (which celebrates the chicken), and Deep South Diner which is all about the big, American flavours we know students love to eat.
- **The Speedy Italian.** Most students love Italian food, and the Speedy Italian ensures that there is a range of dishes available every day. From Sicilian pizza to al fornos and pasta pots, the Speedy Italian is sure to be a big hit.

Yours faithfully
