

The Grangefield Academy

Catch-Up Funding

Context: there are 102 students in Year 7. 12 of these students were performing below L4 in English and/or Maths. Some of their reading ages were as low as 5.6 years. The new schools within schools system has provided stability and consistency in teaching, monitoring, tracking and ensuring appropriate support and intervention is implemented. The fund awarded to the Academy to ensure rapid progress for these students was £10,500.

The overall objective is that each of the students is performing at L4c as a minimum in both English and Maths by July 2015
